

# Society of Rhode Island Clinical Oncologists

Welcome RICO members. Our Society, the Rhode Island Clinical Oncologists, is a non-profit organization. Our Society's mission is:

1. To promote through professional education and other means excellence in oncology care in Rhode Island.
2. Serve as advocates for oncology patients in ensuring their access to and reimbursement for medical care.
3. To promote the highest professional standards of oncology in the state of Rhode Island.
4. To study, research, and exchange information, experiences, and ideas leading to improvements in oncology care.
